Lunarbaboon

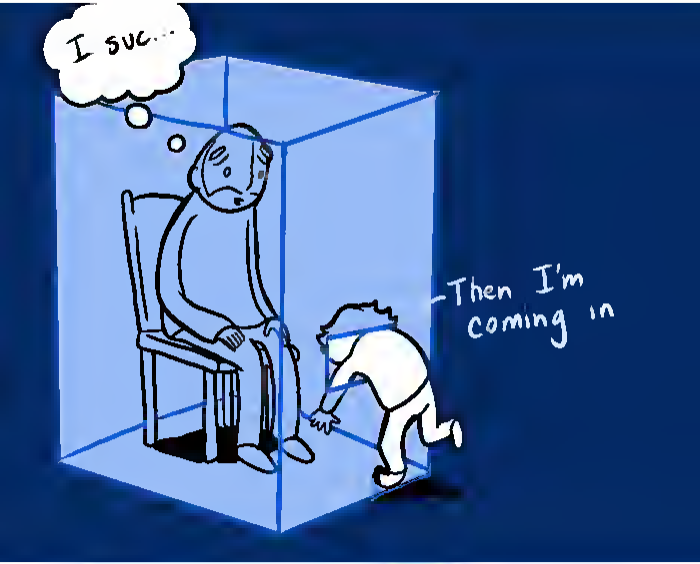
I'm the worst.
It's hard to see the people we love trapped.

I suck
It feels like we should be able to save them.
I'll get you out dad.

I hate myself
We should be able to break them free...
"CRACK!"

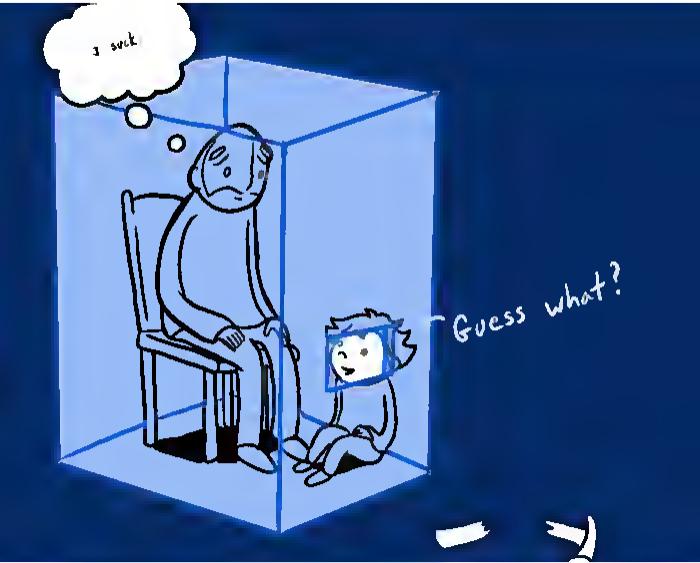
I'm worthless
but some prisons are too strong to destroy

I'm the worst
sorry bud I'm stuck
Sometimes you can't help the way you want to

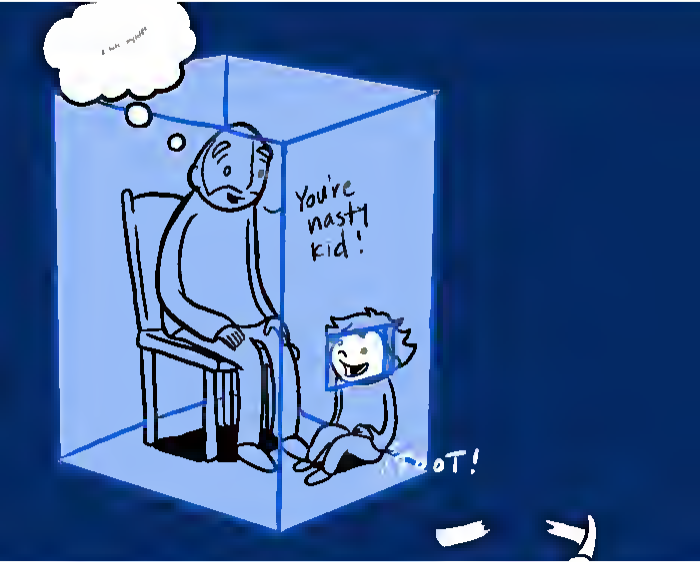


I suc...
Then I'm coming in

I'm the worst
but that doesn't mean you can't help
Hey!



I suck
Guess what?



You're nasty kid!
I'M NOT!

Want to hear about my day?
sure
